Dear Ruth

Ref - PLANNING APPLICATION 19/00224/FLH 36 The Parade, Epsom

We are very concerned that the Council issued a Permit notice on the 9th May 2019 for this 2 storey extension. Included within this notice were the Public Comments stating that Bob Hollis (on behalf of ECS) had supported this application. This cannot be further from the truth!

Please find attached our letter to The Customer Services, dated 29th April 2019. This clearly states that 'We strongly object to this Planning Application ...'

We are extremely worried that our letter of objection may not have been accurately reviewed and could have affected the Council's decision to Permit this application. It is also noted that although this application was shown as being validated on the 16th March 2019 it did not come to our notice until early April.

Please could you investigate our concerns and consider whether there are grounds to re consider your decision to Permit this application.

Yours sincerely

Bob Hollis (On behalf of The Epsom Civic Society)
